About Us

The essential need for various types of pharmaceutical products is consistently growing and our company, VOLKS BIOTECH (A DIVISION OF ARYAN PHARMACEUTICALS) is fulfilling them efficiently. We started our function in the year of 2010 as a supplier of a wide selection of pharmaceutical goods. Pharma products Tablet, Capsules Syrups, Injections, Creams, Protein Powders, Soap, Food & Herbal Items and Neuro Range.. are some of the goods to mention from our broad range. Since our products are used in the healthcare sector, we assure that they conform to highest quality standards and are only then approved for shipment to customers. This is how we are able to advance our business in the pharmaceutical industry considerably. We deals in Pharma Franchise & Third Party Manufacturing. We have association with WHO & GMP certified MFG.

In our company, Aryan Pharmaceuticals, our attention has always been on quality, which can be reflected in the perfect quality of goods we deliver to the customers. We have developed our premises in the advanced city of Ambala, Haryana, India. We deal all type of Pharma products like Tablet, Capsules Syrups, Injections, Creams, Protein Powders, Soap, Food & Herbal Items and Neuro Range. In addition, we have accelerated our success with new concepts and inventions in our company, and aim to improve it further in future.
